

The Board of Directors met on January 21, 2017. In order to address conflicts with revised Rule 401.6 (tryout rule) passed by the membership during the 2016 FYSA AGM, the Board amended two rules. Bylaw 13.2 allows the Board of Directors to amend FYSA bylaws and rules during any regular or special meeting.

The following actions were taken:

- **Rule 207.8:** Was deleted in its entirety.
- **Rule 401.5(C)(1) and (2):** Date references have been changed from May 1st to March 1st. The sections now read:
 - **(C)(1)** For an affiliate to recruit the services of a registered coach, the requesting affiliate must first notify in writing the agent of record of the coach's current club. There shall be no contact with any currently registered coach prior to March 1st, unless permission is granted in writing by the affiliate's agent of record, or designee.
 - **(C)(2)** A currently registered coach may not contact a prospective club prior to March 1st, without written permission of their currently registered affiliate's agent of record, or designee. After May 1st contact may be affected with written notification to the current affiliate. Once tryouts have commenced, coaches are bound to the affiliate.

These changes will take effect immediately.

These changes will be presented as required by Bylaw 13.2 to the membership at the 2017 FYSA AGM for ratification.

If you have any questions, please contact any member of the Board of Directors.

Respectfully submitted,

Becky McLaren
VP of Administration and Communications.
