

Club Pass Players and Got Soccer Game Card

USA no longer uses “guest” to define a player who is participating with a team that is NOT their rostered team, the new term is club pass player, but all of the USA guest rules apply to club pass, just the terminology has changed since got soccer can track club pass players since they are in the same club.

Club Pass Players appear on the got soccer game card

- No longer will “guest” players be handwritten in, they will be pre-printed on the game card as club pass players.
- This is done at the club level.
- Teams must bring pre-printed game cards to the game that have the club pass players listed.

To add a club pass player, log into Got Soccer Club account, click on the club tab, then select the team who will receive the club pass player.
